

1 System Performance Report

This document is rendered using the Lexicon No. 2 family. The body text is set in *Roman D-Med*, providing the classic Dutch clarity intended by Bram de Does.

1.1 Benchmark Results

The table below utilizes the `D-Tab` variant, which features tabular (monospaced) numerals to ensure decimal points align perfectly.

Cluster Node	Efficiency	Latency (ms)
Node-01	0.982	12.40
Node-02	0.945	14.85
Node-03	0.991	11.02
